In addition to approximately 5+ hours of instructional trampoline time per day, there are weekly field trips, special guest entertainers and creative activities to keep athletes engaged during their rest time off trampolines. Campers will learn about themselves, others and the world around them through activities that match their age, interests, needs and abilities.

On the first day of camp, please allow extra time for staff to confirm completion of online waivers and review additional health and medical information (if applicable).

1. Before Care begins at 8:00am, those signed up for before care can check-in as of 7:50am. For campers not registered for Before Care, camp begins at 8:30am with doors opening and check-in beginning at 8:20.

## CAMPER SAFETY AND SECURITY:

If a camper becomes ill or has a serious problem, an early pick-up will be required. We will ensure the best possible care until you arrive.

In the event a child requires immediate medical treatment that cannot wait for parent arrival, ambulance transport will be arranged to a local hospital, at the cost of the family. We will contact you as soon as possible. A VZ staff member will stay with the camper until family arrives.
